PROM

GONE BAD

With their high school career coming to an end, the students of Mayhem High find themselves battling it out over grades, popularity, affection, class rankings and what they all have been focused on for years... who will be awarded the prom king and queen title?

Will it be the class president who is looking to extend his reign past the student council? The pompon captain who has used her moves to land more than a prom court nomination? Or possibly the math team captain who is desperate to make his name in something other than the math team.

As the night unfolds, the royalty will be rewarded and an innocent life will be claimed.

From the preppie to the punk rocker, the spaz to the stud, the jock to the jilted—all are suspected although only one is to blame. Can you find the culprit in this crazy madness that is filled with neon, naughtiness and narcissistic behavior?

**Join These Totally Tubular Teens
and Far Out Faculty For a Night Of
Mullets and Mayhem.**

RULES AT THE PROM

1) Read Your Character Dossier...until you are told to STOP! — That's right! This packet is your personal character guide for the party. To prepare, please read the first 4-5 pages, stopping when you are instructed to do so (after your character description). **DO NOT** read ahead, for it may ruin some of the fun at the actual party.

2) Review the Mix and your description — Included in this packet will be valuable information!!! Be sure to review your own character description and the Mayhem Mix for they both include background information (such as the other characters attending the party) that may come in useful the night of the party.

3) Dress The Part — It's a proven fact that the more into character you are, the easier it will be for you to truly enjoy all the aspects of the night. In addition, it adds to the excitement, the photo opps, and your chance to be voted best dressed. This may or may not be true for virtual parties! **Please see www.nightofmystery.com for ideas on costumes.**

4) Don't Reveal Everything About Your Character — While there are many things that everyone needs to know about you, there are some things that should remain secret. Use your discretion as to not give too much away—you may find out at the party that you are the killer indeed!

MAYHEM MIX

Prom is HERE

As another school year comes to a close, there is no other event to commemorate a great high school career than the prom! **Among those who have already purchased their tickets for the dance are:**

Peter Prez—Senior Class President. For the past four years, this preppie hasn't wanted anything more than to rule the school. Peter has lobbied hard for being elected the prom king and won't let anything stand in the way!

Sarah Social—Senior Class Vice-President. A valley girl at heart, Sarah is responsible for, like, planning ALL the details of the prom, and making sure things go exactly according to plan—her plan!

Debbie Taunte—Senior Class Treasurer. Spoiled to the bone, this wealthy woman has a way with money and a way of using it to get whatever she wants!

Clerical Katie—Senior Class Secretary. Harboring more than the class records, Katie's spaz-tastic personality will stop at nothing to make sure she does not get overlooked...again!

Bobby Backer—Jock. As the leader of the Ravens baseball team, Bobby has made several enemies by using his influence to get what he wants!

Sally Spirit—Cheerleader. After Sally's recent split with Bobby, it is hard to say if she wants him back or wants revenge.

Kevin Catcher—Baseball Player. With his grades falling and chances at college slim, many underestimate Kevin and his abilities.

Cindy Sensational—Class Sweetheart. Cindy has captured everyone's heart, including her boyfriend, Kevin Catcher. With such a sweet demeanor, are Cindy's actions genuine or just an act?

Gabby Backer—Gossip. As Bobby's twin sister, Gabby is tired of living in the shadows of her over-achieving brother. For once, Gabby is looking to make her own way at the dance!

Larry Lefty—Outcast. Misunderstood and moody, Larry is one of the overlooked players on the baseball team—but he refuses to be ignored tonight!

J.J. Smart—Valedictorian. A real smarty pants, J.J. has been the head of the class since first grade. With acceptance to Harvard on the line, this individual will make sure it stays that way.

Dolly Dancer—Pompon Captain. As the cheerleader's arch rival, Dolly has danced her way into the heart of Bobby Backer and intends to stay there.

Ryan Rocker—Punk Rocker. As the cheerleader's date, Ryan is attending for Sally's support...but could his hard rocking lifestyle be too much for everyone to handle?

Alan Algebra—Math Team Captain. As the greatest mathlete in Mayhem High history, Alan is upset that the math team is often overlooked. He has vowed to make sure it does not stay that way.

Principal Simpson—Principal of Mayhem High. As newly appointed principal, the principal wants to set and enforce high academic and social standards – but at what cost?

V.P. Patterson—Vice Principal. The second-in-command, V.P. has a lot to prove (and hide) if they plan to continue on in their leadership position.

Dr. Talk—School Counselor. In charge of advising and counseling the students, Dr. Talk may have more knowledge than they let on.

Teach Tanner—Math Teacher. As a popular teacher, Teach Tanner seems to be helping out the students a bit too much. Will their close affiliation with the student body come back to haunt them?

Coach Walters—Baseball Coach. With a chance to win a state baseball championship, Coach Walters is very motivated to make certain they meet all of their goals...at any costs!

Roy Rivers—Alumnus. Back in town for the big dance, Roy may have more planned for the evening than he is letting on.

CONGRATS

J.J. Smart &
Cindy Sensational

Congrats to both students!

And the nominees are...

After weeks of campaigning, the seniors voted and the representatives chosen for prom court are:

Peter Prez &
Debbie Taunte

Bobby Backer &
Dolly Dancer

Kevin Catcher &
Cindy Sensational

Alan Algebra &
Sally Spirit

Don't Forget To Vote!

**GO
RAVENS!**

Coach Walters, bring us home a
State Championship Title!

Most Likely To...

...Succeed: Bobby Backer. From athletic skills to great grades, this boy has a way (or a way of getting) everything he can want in life.

...Marry a Millionaire: Debbie Taunte. Although Debbie has enough resources to finance her future, her motto is "there is always room for more!"

...Save the World Quietly: Cindy Sensational. Cindy's pleasant attitude is only complimented by her goal of becoming a doctor. Put that with the fact that she volunteers as a nurse's assistant and the girl can do no wrong.

...Become the Next Politician: Alan Algebra. He has to be one smooth talker to get from dork to the prom court!

Larry Lefty

As the left fielder for the Mayhem High Ravens, you are excited to be on a baseball team that has a chance to win the state championship. You are an excellent team player and humble in evaluating your abilities and contributions. Although you are not Coach Walters' favorite player, you think your natural athletic ability often intimidates others on the team, including the star jock, Bobby Backer. While you try not to let the politics of the baseball team get to you, it is often hard when you see the coach always favoring a player like Bobby. You are aware that there are other players who feel the same way. Along with the Raven's success this season, you have heard that Coach Walters is being considered for a job at State College. With a college coaching position available, Coach Walters has been doing everything possible to ensure a victorious season.

In addition to being the coach's pet, you suspect that Bobby Backer may also be using steroids. The other day you heard rumors of performance enhancing drug use by at least one of your teammates, but you are unsure who the rumors pertained to. You reported this information to Coach Walters, but they did nothing about it. Knowing Bobby and the coach's tight relationship, you think Coach Walters may be covering for Bobby's drug use. Although you suspect this is the case, you do not want to make it public until it is verified by someone.

Despite the favoritism and possible drug use, you have tried to make friends with Bobby because you have an interest in dating his twin sister, Gabby Backer. Gabby has agreed to go to the prom with you and you plan to ask her to be your girlfriend at the dance—if you can get your nerve up to it. Despite your attempts to befriend Bobby, he does not like you. In the time that you have spent with Gabby, you have come to realize that she is also very competitive with her brother. Gabby has told you that her parents have promised a car to the child who finishes high school with a higher GPA—a competition and reward that Gabby does not plan to lose!

With everything weighing on your mind—your emerging relationship with Gabby, the pressure to win over her family's acceptance, your desire to prove yourself as a competent baseball player worthy of a scholarship, etc.—you have been a little on edge lately but are very excited to be attending the prom with Gabby. Once Gabby Backer has agreed to be your girlfriend, nothing can go wrong!

Acting and Dressing Your Part: As a member of the baseball team, you are an excellent "team" player and you are nice to everyone, including Bobby Backer. Although you are athletic, you do not fit the stereotype of the jock and are a little odd at times, which can cause others to think of you as "uncool" - especially Bobby Backer. While you do not want to make enemies, you are tired of being taken for granted and plan to use the prom to get what you want, including asking Gabby Backer to be your girlfriend. You will want to dress in your best shirt and tie, suit or tuxedo for the school dance and don't forget your boutonniere. Currently, pastel tuxedos, white sport coats, brightly colored shirts and large hair are all in style. *For more ideas on how to dress, how to make a sash, etc., please see the party tips section at www.nightofmystery.com.
